

India: Preparation of the Jammu and Kashmir Urban Infrastructure Development Project

Project Name	Preparation of the Jammu and Kashmir Urban Infrastructure Development Project		
Project Number	38136-012		
Country	India		
Project Status	Closed		
Project Type / Modality of Assistance	Technical Assistance		
Source of Funding / Amount	TA 4515-IND: Preparation of the Jammu and Kashmir Urban Infrastructure Development Project		
	ATF - DFID-United Kingdom	US\$ 500,000.00	
Strategic Agendas	Inclusive economic growth		
Drivers of Change	Governance and capacity development		
Sector / Subsector	Water and other urban infrastructure and services - Urban policy, institutional and capacity development		
Gender Equity and Mainstreaming	No gender elements		
Description	The proposed PPTA aims to complement the rehabilitation works under the Multisector Project for Infrastructure Rehabilitation in Jammu and Kashmir; and expand the coverage and improve the quality, efficiency, reliability, cost effectiveness and reliability of water and sanitation services in the cities of Jammu and Srinagar. It is expected to formulate a comprehensive investment strategy for water supply and sanitation including components on tariff structure reforms, cost recovery, non-revenue water reduction program, and other administrative and operational aspects of water and sanitation services provision.		
Project Rationale and Linkage to Country/Regional Strategy	The TA was included in the ADB Country Strategy for 2002-2005. The PPTA was planned as part of the approval of the ongoing loan (Loan 2151-IND) which focuses on rehabilitation, not expansion, of services. The strategy is to provide a follow on loan to increase the capacity of water supply and sewage treatment, expand water distribution, sewage collection and drainage networks and solid waste management capacities.
